Praise:

- 🌸 Times of fellowship and sharing as Paul meets with the NAB family.
- 🌸 Travel safety and flight connections have gone well.
- 🌸 Joy in bringing and receiving encouragement.
- 🌸 Opportunities of fellowship with fellow missionaries.
- 🌸 Being able to celebrate Jonah and Elijah’s birthdays as a family. (March 6 & 11)

Prayer:

- 🌸 Continued protection for Paul as he continues traveling every weekend. Pray specifically for protection in staying healthy.
- 🌸 Please pray for continued discernment as Paul adjusts his medications.
- 🌸 Elijah will soon make his final decision for which college to attend. Pray for him to quiet his spirit in order to hear God’s direction as to which place would be best. God has been so faithful, we trust that He will continue to lead and direct.
- 🌸 Continue to pray for Shan Reed and Yuri Nakano as they plan ladies’ seminars as well as carry administration work while Paul and I are here States side.

Please contact Paul, pemedicus@yahoo.com, with any questions about visitation.

Grace and Peace,
Paul and Melissa
