**Jambo! I'm Tempo.
Welcome to Camp Kilimanjaro!
I want to help you LISTEN UP
today.**

Can you name these sounds?

Good job!

Mount Kilimanjaro is the highest mountain in Africa, in the country of Tanzania. It's almost 4 miles high (that's a lot of steps).

It's so high, it can be summer at the bottom, and winter at the top, on the same day.

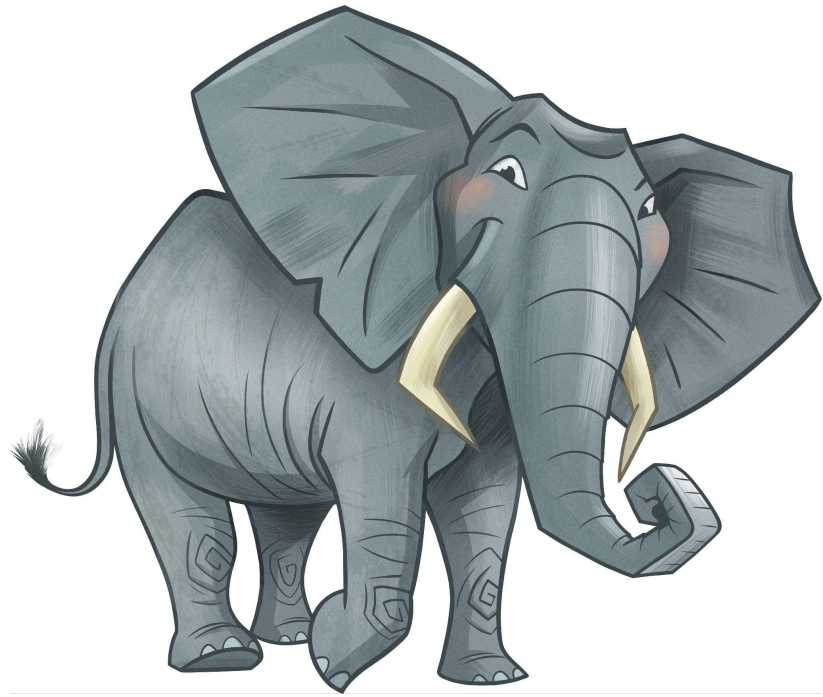

It used to be a volcano, which God used to let lots of different kinds of plants and animals live there.

– like me!

Do you like my big ears?

**What do think they're good
for?**

BE ALL EARS!

Do I
have ears
that hear
and do
God's Word?

Wisdom

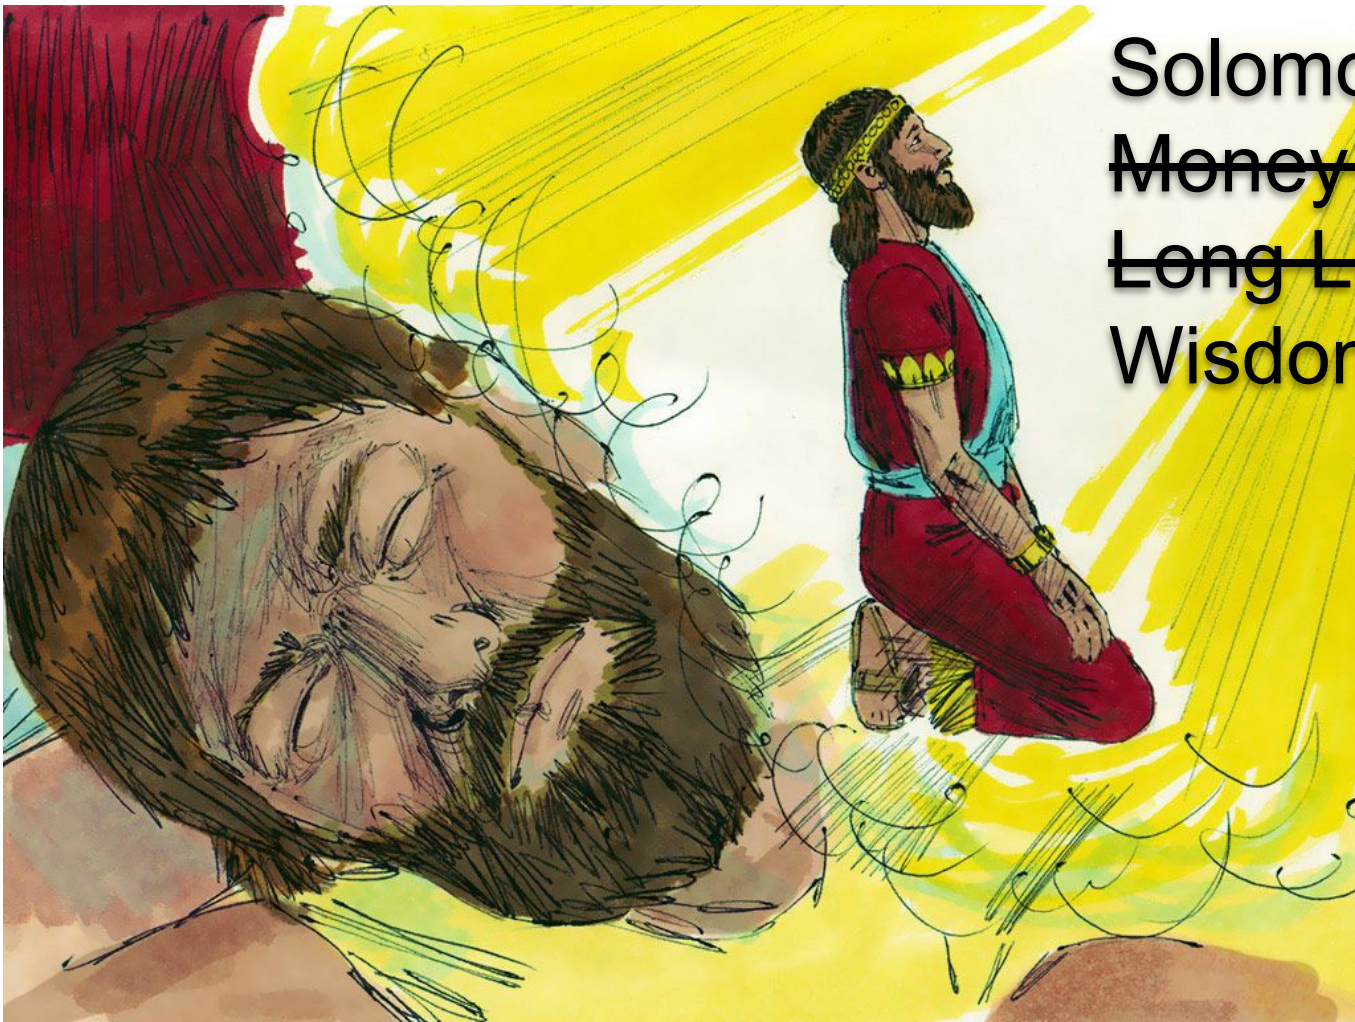

God: "What would you like me to give you?"

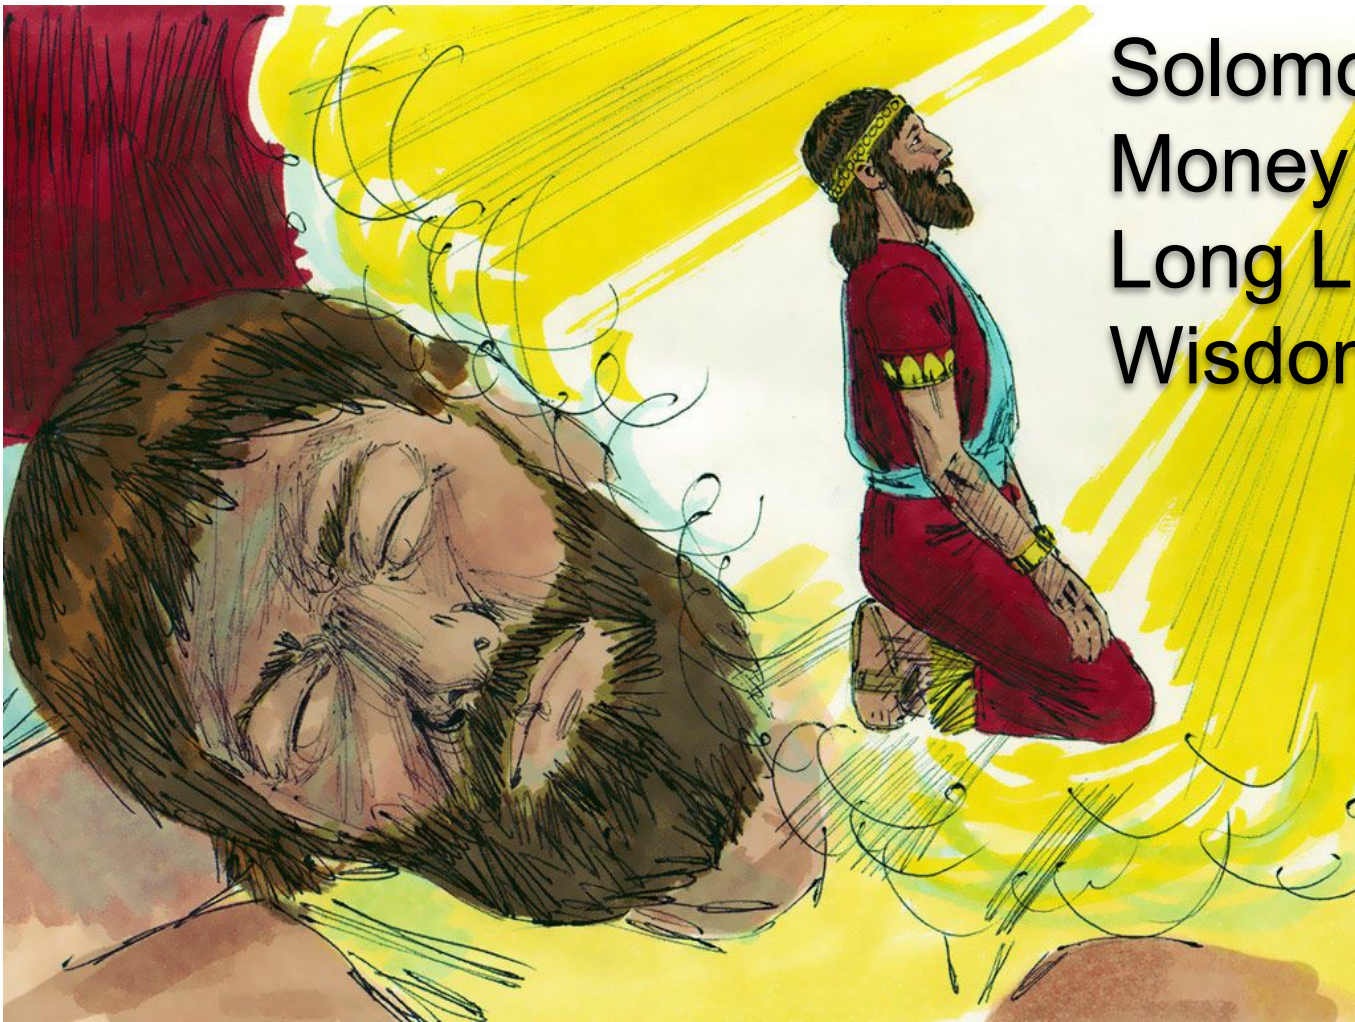

Solomon:

~~Money~~ X

~~Long Life~~ X

Wisdom ✓

Solomon:

Money ✓

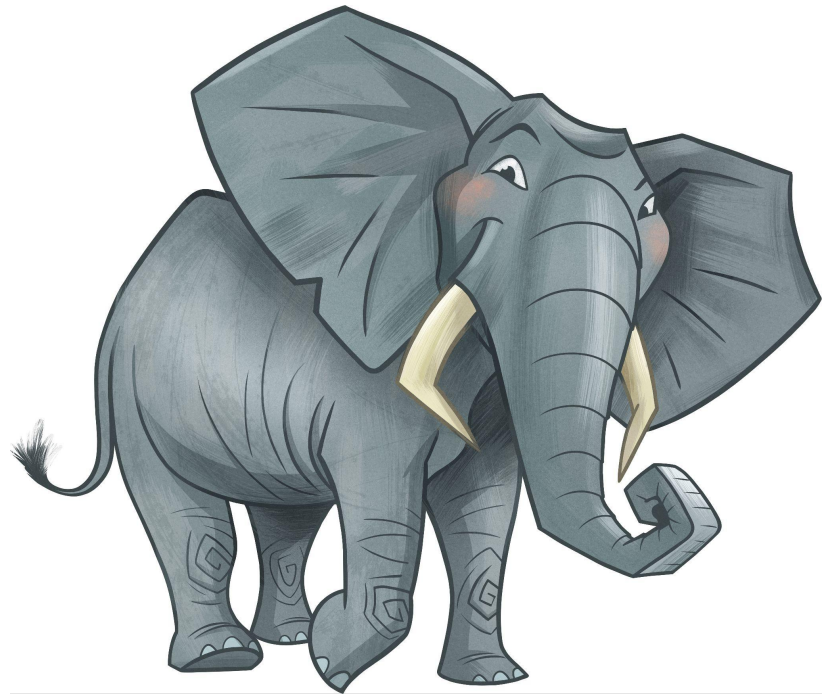

Long Life ✓

Wisdom ✓

So how wise was Solomon?

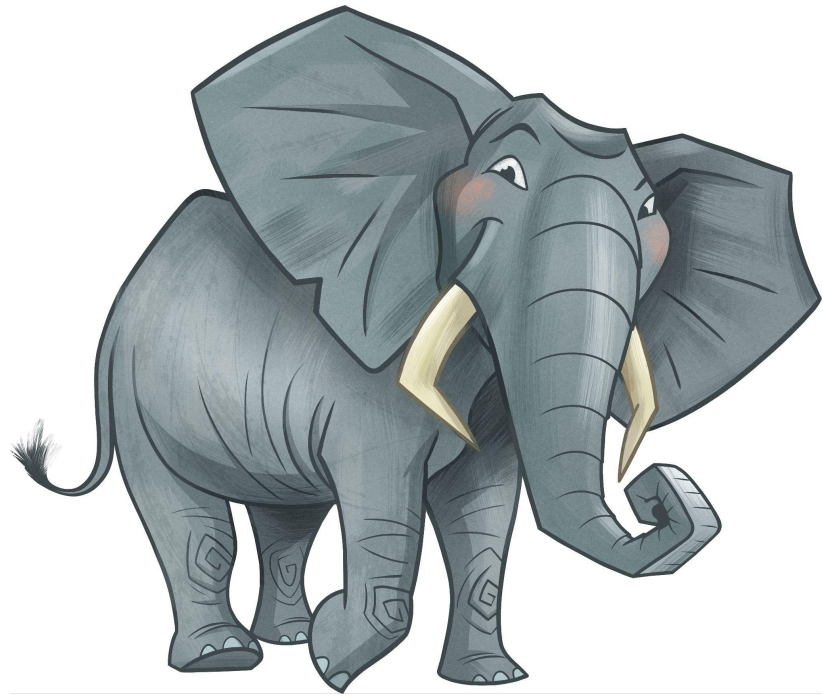

He understood better than anybody alive exactly how God made the world work.

**He wrote a thousand songs.
He wrote three thousand proverbs.**

**Queens, kings, and leaders
came from really far away, just
to listen to him teach.**

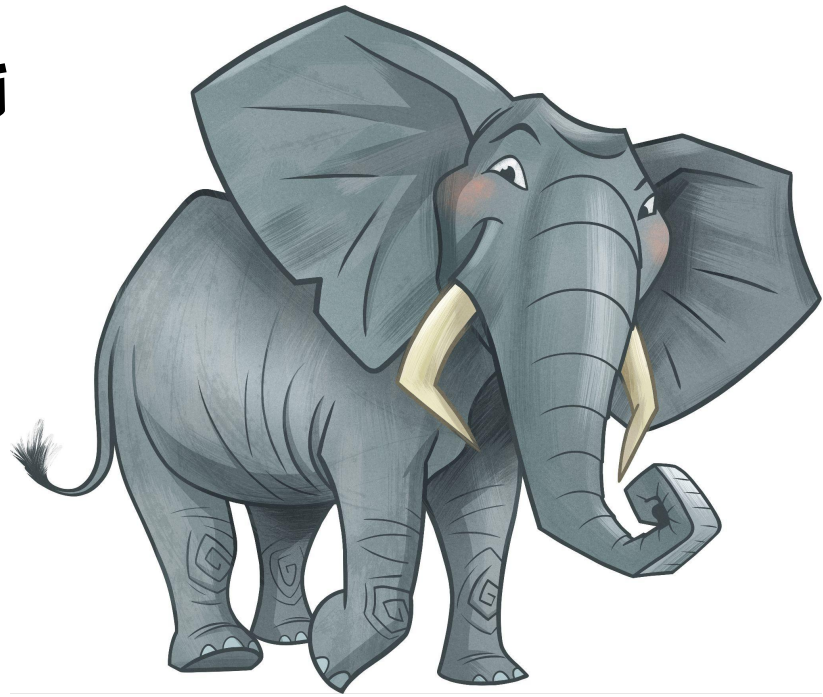

**He built towns and cities, and
even God's Temple, better
than any other place in the
world.**

But God gave Solomon a warning as well.

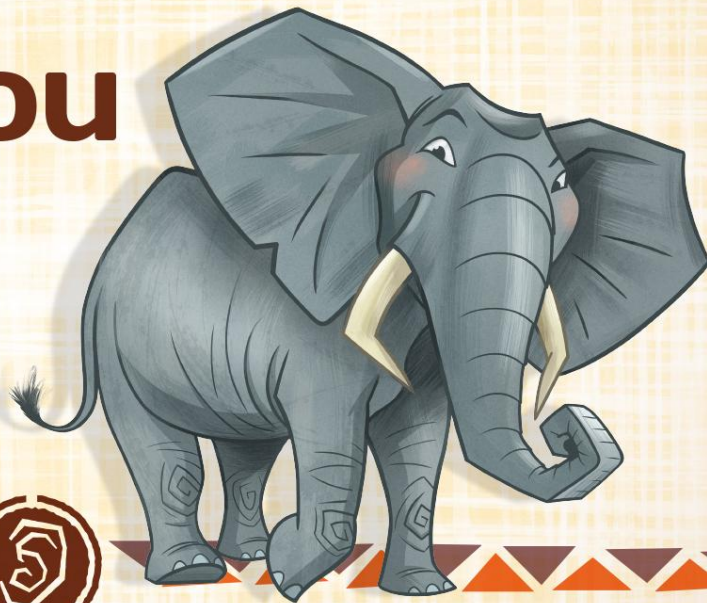

Listen and obey everything God has taught you, or your wealth and your kingdom will be taken away.

Sadly, Solomon didn't listen, and that's exactly what happened.

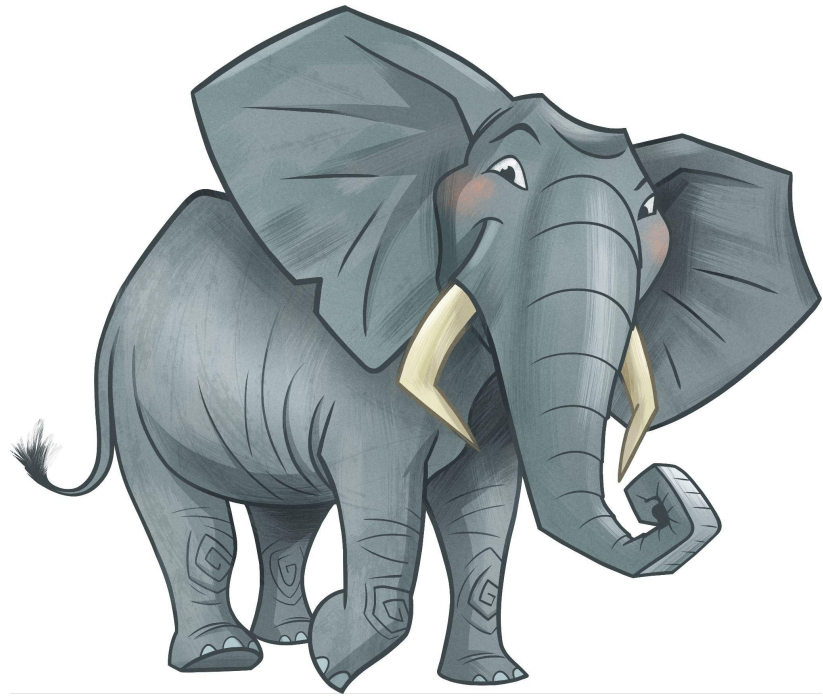

PROVERBS 19:20

LISTEN to counsel
... that you
may be
wise.

In small groups, as we clean up and get ready for crafts and games, talk about who you can listen to who can help you be wise.
