CAMP KILIMANJARO

An Epic Expedition Through Proverbs

**WISE MEN WALK
WITH WISE MEN!**

**Do I have
feet that
walk with
the wise?**

DUMA

Jambo! I'm Duma, the cheetah. Does anybody know what I'm famous for?

No, I don't really care for cheese puffs. My spots help me blend in with the ground, especially when I'm running really fast. Almost as fast as the wind in a hurricane. Faster than the speed limit of your cars around town.

The Bible has a lot of verses that talk about your feet, walking, and running.

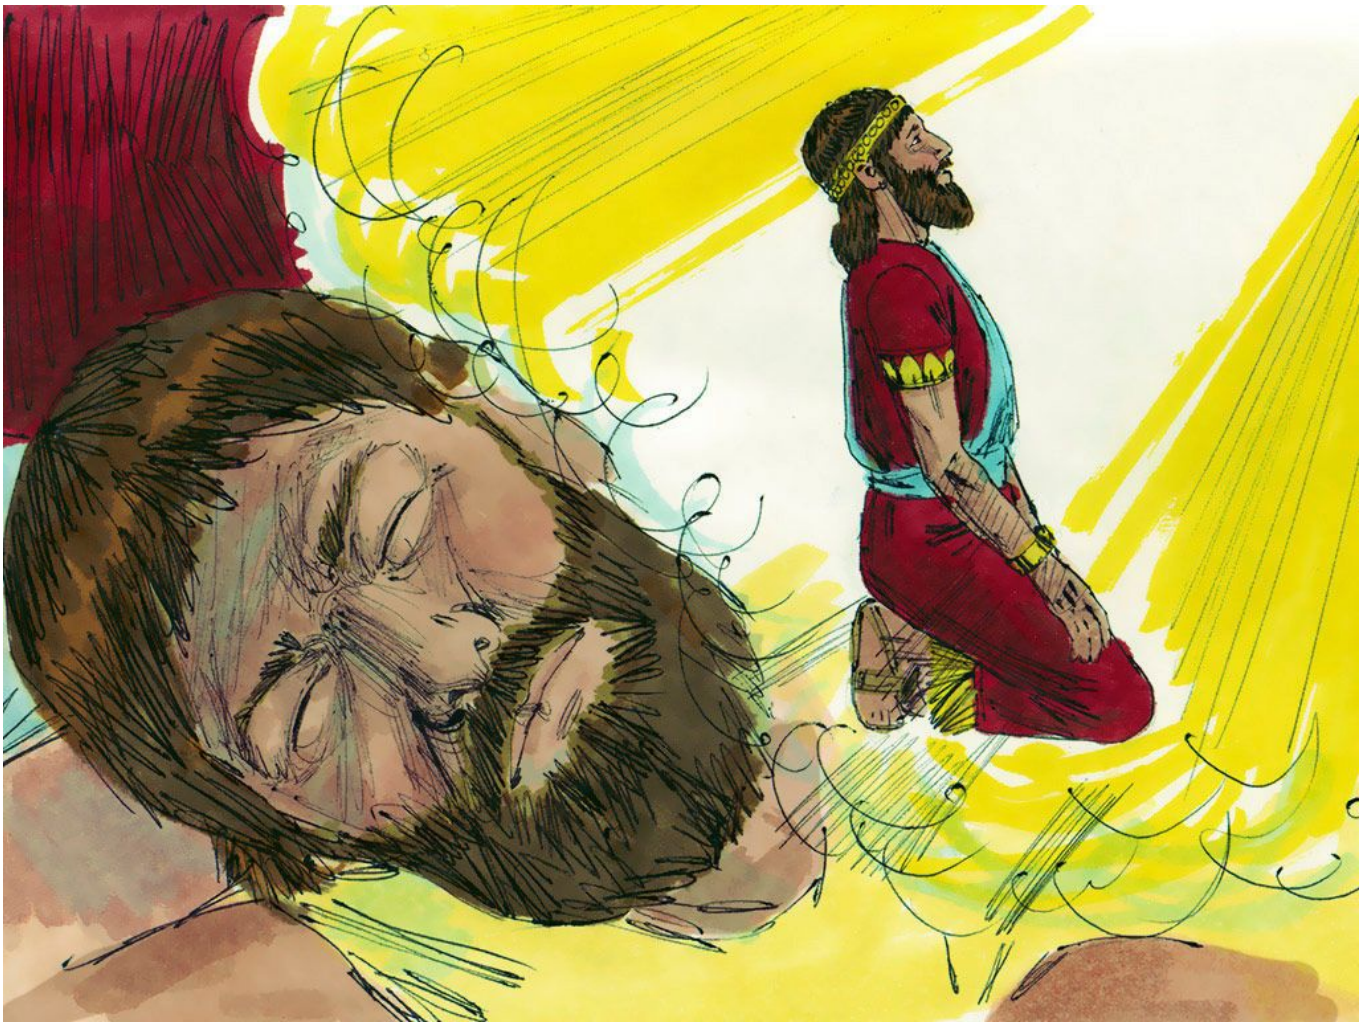

PROVERBS 13:20

He who **WALKS** with wise
men will be wise,
but the companion
of fools will be
destroyed.

**Who remembers what happened to
Solomon when he became king?**

Even though Solomon was the wisest king, besides Jesus; Solomon didn't always do the things that he taught.

W = H + D

Wisdom = **H**earing + **D**oing

But be **DOERS** of the word, and not **HEARERS** only.

James 1:22

In 1 Kings 11, we find out that Solomon used marriage to make peace with all the other nations around Israel. But instead of requiring his wives to worship our Creator God, he let them bring their statues with them, and let them pretend those statues were God. They were idols.

Instead of letting his wisdom change their hearts, he let their foolishness change his. That's what our memory verse today is talking about.

PROVERBS 13:20

He who **WALKS** with wise
men will be wise,
but the companion
of fools will be
destroyed.
